

Our world is changing. Lead it.

In four days, you will experience and practice holistic perspectives, systems thinking and creative leadership skills designed to develop your gifts and expand your capacity for effective leadership, from personal development to global change.

Holistic Leadership Institute **July 8 -11, 2010**

Presented by the Holistic Leadership Graduate Studies Program at Salve Regina University. What society needs, Salve Regina has—attention to personal, social and spiritual development combined with disciplined professional training.
